De majestueuze schoonheid van de Maine Coon kat in een prachtige fotoserie

Door: [Marjolein Sintenie](#) 15 aug 2016 [Froot](#)

“**M**ijn passies zijn katten en fotografie, en ik doe mijn best deze twee dingen zo goed mogelijk te combineren”, aldus fotograaf [Robert Sijka](#). En goed zijn de foto's zeker. Sterker nog, ze zijn prachtig.

In deze fotoserie van Robert Sijka staan niet zomaar wat huiskatten centraal. Nee, het zijn de majestueuze [Maine Coon](#) katten die in de spotlight staan. De Maine Coon is één van de grootste oorspronkelijke gedomesticeerde kattenrassen en staat onder andere bekend om zijn fluffige vacht, grote poten, lange staart, de pluimpjes op de oren en het rustige karakter.

(Onze missie bij [Froot](#) is om de beste hedendaagse fotografie te ontdekken én te delen met de wereld. Creatieve Instagram-accounts, baanbrekend beeld en artistieke uitingen; wij geven (Nederlands) talent een publiek en een podium.)

Hello.

I'M ROBERT SIJKA (SHEE-KA)

BASED IN HONG KONG AND GUANGZHOU, CHINA

AWARDED BY INTERNATIONAL PHOTOGRAPHY AWARDS™
IN PROFESSIONAL: SPECIAL, PETS CATEGORY

I love photography and cats, I do my best to combine both those things as good as possible.

My journey with cats photography began few years ago when my wife started to breed Maine Coons.

Being around the cats and photographing them gives me a lot of joy.

I spent a lot of time perfecting my skills in capturing the beauty of cats. My goal is to show different expressions and emotions flowing from the cat's eyes. I prefer to use a simple background and light setting which complements the cat, nothing else.

In my photographs I follow Albert Einstein's maxim.

" Everything should be made as simple as possible, but not simpler"

If you need a beautiful image of a cat to decorate your house, office or store, you're in the right place. Just go to the [PRINTS](#) section and choose what you want.

I offer high-quality prints in a very reasonable price. You can choose between prints on high-quality photo paper or on canvas. All my pictures can be printed in a variety of many sizes, even very large - you decide what size you like.

If you're impressed by my pictures and you would like to have the same for your pet, no problem, I can do it.

I don't do this very often, but sometimes, more exclusively I go to the customer's home to photograph their beloved pets.

So, if you wish to have such sessions for your pet, please contact me. I'll give you all details regarding the scope of service and price calculation.

I really like to travel around the globe and I can show up in the farthest corner of the world. So, I will either come or i won't, depending only on how badly you want this.
